- Teams will be set by Oct 30<sup>th</sup> and practices will begin in November.

Open gyms are optional and have no bearing on a player making a team. Open gyms will be broken up into an hour of skills and drills and an hour of play. The open gyms will serve as a chance for players to get touches prior to tryouts. Coaches will be observing and also working with players during the open gyms.

For a player to make a team, he must attend the tryout days. If a player cannot make one of the days, his evaluation and placement will be based on the day he is able to attend.

Our intention is to have 3 teams at every level; this will be based on the numbers of players trying out at each level.

Winter Season will run beginning of November through the end of February; Summer season (if applicable) will begin at the end of May/beginning of June and will end after Nationals. Players who make the top teams will be expected to make a commitment to his team through Nationals in July.

All open gyms and tryouts will be held at Game On, located at 6630 Hamilton Ave. All open gyms and tryouts cost \$40. Cash or check will be accepted. Costs cover court time at Game On! and coach fees. The cost of \$40 is regardless of how many sessions are attended. No refunds or prorating of fee.
